

Cristina Gomez

**CONTENT CREATER & PODCASTER
UFO & PARANORMAL RESEARCHER**

Cristina Gomez is a video content creator and podcaster who brings a young and fresh perspective to the UFO and Paranormal research fields. She is 23 years old, and a proud 'Gen Z' Latina, being of Venezuelan heritage.

She has produced and presented over 100 shows for her YouTube channel and podcast platform, while attending University as a full time student pursuing a BA degree in Business and Communication.

The growth of her international audience keeps accelerating across all her social media platforms, and Cristina has a significant following of subscribers and followers of her own age group, as well as High School leavers.

In October of 2021, Cristina was picked up by KUNX Talk Radio and the UnX Network for airing of her popular weekly interview show, 'Shifting the Paradigm'. Cristina interviews researchers, witnesses, and enthusiasts of the UFO and Paranormal topics. Notable guests have joined Cristina on her show, such as Harvard Professor Avi Loeb, Former DoD director of the Government UFO program AATIP - Luis Elizondo, Presenter of the Travel Channel's 'America Unearthed' Scott Wolter, Founder of 'The Black Vault' FOIA and UFO researcher John Greenewald Jr among many others.

Cristina also presents two other weekly shows, 'Mysteries with a History', co-hosted by veteran radio host Jimmy Church of Fade to Black Radio and fill-in for Coast to Coast AM. Each week they examine a different theme related to unusual mysteries that have a distinct history. And more recently a new show called 'Strange Paradigms' which focuses on covering recent news items related to the strange, mysterious, and paranormal.

Cristina Gomez has appeared on many talk shows and podcasts such as the Paranormal Podcast with Jim Harold, The Martin Willis Show, The Micah Hanks Show, and Fade To Black Radio with Jimmy Church, among many others.
